

2024 ANNUAL SPONSORSHIP DRIVE

Conyngham Valley Civic Organization (CVCO) is a non-profit organization that was established in 1953 to support, promote, sponsor, and foster civic and cultural improvement for the Conyngham Valley and its residents. Since its inception, the CVCO has been expanding its reach through different programming and recreational facilities. Today we serve far more than just the Conyngham Valley and have several members from the Greater Hazleton and Mountain Top area.

Our two main facilities include the George C. Ernst Pool and the John and Ruth Gould Gymnasium which provide year-round programming for our community. Whether it be swim lessons in the summer or pickleball in the winter, CVCO platforms reaches all ages. With your help, we hope to implement new opportunities that go beyond operating our swimming pool and recreation center. Our goal is to improve our existing events while adding other areas to serve our community.

Our annual sponsorship drive helps to defray our operational costs while contributing to additional programming. There are several opportunities to support our non-profit throughout the year. Rather than bothering you throughout the year, we have provided opportunities to participate in our campaign in one mailing. Below are options to help support our organization that are tailored to your business. Platinum, Gold, Silver and Bronze Sponsorship will run from June 1st, 2024, until May 31st, 2025. Becoming a sponsor is simple. Please fill out this form with the corresponding sponsorship opportunity you would like and mail it back to the CVCO. We will send you a letter acknowledging your donation. When appropriate, CVCO will contact you as it gets closer to your sponsorship event to remind you of your contribution.

Please feel free to reach out to us via email should you have any questions. Sponsorship forms can be returned via mail to the below address:
