

2026 CVCO ANNUAL SPONSORSHIP DRIVE

The Conyngham Valley Civic Organization (CVCO) is a non-profit organization established in 1953 to support, promote, and foster civic and cultural improvement for the Conyngham Valley and surrounding communities. While rooted locally, CVCO proudly serves members from the Greater Hazleton and Mountain Top areas through year-round recreational programming.

CVCO operates two primary facilities: the George C. Ernst Pool and the John and Ruth Gould Gymnasium. These facilities provide programming for all ages, from summer swim lessons to winter pickleball leagues. Our mission extends beyond maintaining these facilities. We strive to continually improve our programs and expand opportunities that benefit our community.

As part of our annual sponsorship drive, CVCO is launching a “Match Our Grant” fundraising campaign to support improvements at the George C. Ernst Pool. We were recently awarded a \$15,000 grant from The Luzerne Foundation toward the purchase of a new pool cover; however, the total project cost is estimated at \$21,240. This fundraiser will help bridge that funding gap while also allowing us to update essential pool equipment.

Our goal is to raise \$15,000 through this campaign. Supporters may contribute through a simple donation, purchase a personalized Adirondack chair featuring a business name or dedicated in memory of a loved one, or sponsor a pool umbrella with a custom business logo displayed.

To make participation easy, all sponsorship opportunities are included in one mailing. Platinum, Gold, Silver, and Bronze sponsorships will run from June 1, 2026, through May 31, 2027. Simply complete the sponsorship form and return it to CVCO. A donation acknowledgment will be provided, and we will contact you as your sponsored event approaches.

Thank you for helping us continue to improve and expand recreational opportunities for our community.

Sincerely,

Conyngham Valley Civic Organization Board of Directors
